Trip Overview

Everest Mountain Flight (1-Hour) in so many ways is simply-the-best way to explore the majestic mountains and glaciers for domestic as well as international tourist. It is in fact a wonderful opportunity for those who are constrained time-wise or physique wise, in trekking or climbing the peaks, to devour the beauty of the mystical mountains.

In this stupendous Everest Mountain Flight – you will fly to the top of the world’s largest mountain range giving you an amazing scenic flight for an hour. You will witness Mount Everest (8848m), Mount Lhotse (4th highest), Mount Makalu (5th highest) and many other peaks. Among the other peaks, Gauri-Shanker is very clear during the mountain flight.

These mountain flights are daily operated from Kathmandu airport by the airlines companies in their tiny but absolutely safe aircraft. The scenic flight departs from the domestic airport in Kathmandu and takes place early in the morning to catch the best light. The aircraft fly at an average elevation of 6,500 – 7,000 meters. Furthermore, every passenger is given the individual window seat from where the view is simply spectacular.

Photography Enthusiasts should not let it go:

This short mountain flight tour is in fact a ‘heaven on earth’ for the one who love taking pictures. The excitement surely doubles when you are invited to the cockpit, from where you can capture the ravishing pictures of the world’s tallest mountain.
